

UKOPA 2018 Technical Seminar

Grant Rogers
Chairman

UKOPA Organisation

UKOPA and UK Competition Law

- ❑ UKOPA is an industry group comprised of UK onshore pipeline operators.
- ❑ In line with UK Competition Law the Association limits discussions to non-confidential and non-commercial technical or scientific issues that are relevant to our industry. These include:
 - ❑ legislation;
 - ❑ regulatory compliance;
 - ❑ health, safety, or environmental performance;
 - ❑ corporate and social responsibility; and,
 - ❑ future plans on regulatory policies.
- ❑ UKOPA do not endorse individual vendors or vendor equipment and thus approach this seminar in a similar manner.

UKOPA Working Groups

- ❑ Fault & Risk Working Group (FARWG)
 - ❑ Maintains UKOPA Leak & Fault Database for MAHPs
 - ❑ Publishes annual Product Loss and Fault report
 - ❑ Developed UK pipeline QRA code guidance (IGEM/TD/2 & PD 8010-3)

- ❑ Pipeline Integrity Working Group (PIWG)
 - ❑ Development of key aspects of ageing pipeline strategy

- ❑ Infringement Working Group (IWG)
 - ❑ Maintains Infringement Database of unauthorised access to easement & operator zone of interest
 - ❑ List of top 10 repeat offenders passed to HSE

- ❑ Emergency Planning Working Group (EPWG)
 - ❑ Runs the Pipeline Emergency Response Operators (PERO) Course

- ❑ Process Safety Working Group (PSWG)
 - ❑ Produces annual report on 11 key process safety performance indicators
 - ❑ Incorporates data gathered by other working groups
