Subject: Transco Wind Turbine Study

Phill,

please could you circulate this e-mail to UKOPA members.

At the last UKOPA meeting in Guisborough Transco agreed to provide members with details of the wind turbine siting study that Transco had sponsored Advantica to undertake. A copy of the Advantica technical report is attached.

Transco would like to work with the other UKOPA members to develop Industry guidance in this area, based on this study. I suggest that this work is done by the Risk Assessment Workgroup. Jane can you put this on the agenda for the next meeting of the RAWG.

Phill, can you also arrange for a copy of the attached report to be put on the members section of the UKOPA website.

(See attached file: R8165 Wind turbines PIPESAFE and UKOPA issue.pdf)

Regards

Neil Jackson
