

# UKOPA

United Kingdom Onshore Pipeline Operators' Association

---

## UKOPA Technical Seminar 2019

## UKOPA Safety Alerts and Process Safety Form

22<sup>nd</sup> May 2019

Nikki Barker

## Safety Alerts

---

- Safety Alerts are uploaded to the Safety Alerts folder in the Members Centre and an email is sent to the main UKOPA member for dissemination further
- 2 Alerts for 2019 have been received and will be uploaded following the seminar
- More required
- Managed by PSWG

## 2019 Alerts

---

- Unplanned plant modification resulting in hydrocarbon release (provided by PSF)
  
- Pipeline theft a new threat for The Netherlands (provided by RRP)

# Process Safety Forum

---

- PSWG represents UKOPA on the PSF
- The PSF was set-up to provide a platform whereby initiatives, best practice, lessons from incidents and process safety strategy can be distilled and shared across sectors; to influence our stakeholders (including the Regulator); and to drive process safety management performance agenda

## PSF Cont

---

- PSF website - <http://www.p-s-f2.org.uk/> and has lots of useful process safety information
- PSF has members from various industry bodies including UKPIA, TSA, RSSB, etc
- Safety alerts that they produce are short, punchy and easy to read and understand – PSWG recommend you take a look every once in a while

## PSF Cont

---

- Current discussion includes Grenfell report and what process safety learnings members can take into their own organisations
- Cross sector sharing and learning is what the organisation is all about
