Progress

- PSI Annual Report
- Competency Standards
- Sharing Safety Learning

PSI Annual Report

- 2015 questionnaire ready to go out, responses by end of July 2016 please
- 18 responses last year – plea to take part
- No changes in questions from 2014
- Previous answers can be provided back for update
- Assistance can be provided via telephone if required

Competency Standards

- Need to reinvigorate the process
- Have had a couple of member companies volunteer to trial the standard
- Cogent to arrange for this to happen
- Review of the trial before standard approved and published

- If you would still like to take part, please let the PSWG (via Nikki) know

Sharing of Safety Learning

- Plea to send in learning to share amongst UKOPA members
- Details can be provided to Nikki and she can prepare into a learning brief if an internal briefing has not been prepared
